## Hospice Care

Hospice was created to support people when curative treatment for a life-limiting condition no longer applies and emphasizes quality of life rather than length of life.

**Providing the highest quality residential hospice to our area is our core mission at Omega House.**

We are a licensed foster care facility, staffed to provide superb resident experience. Envisioned to be like home, Omega House provides a better option when staying at home is not comfortable or appropriate.

Anyone in a homecare-hospice program or who could qualify medically is eligible.

We do not accept Medicare, Medicaid or third-party insurances. Veterans may receive full coverage through the VA. Daily rates may be discounted, based on resident's household resources. Some residents may qualify for a period of free care, via the Gerald Vairo Memorial Fund.

## Respite Care

If you are caring for a loved one, you know it is rewarding, but it can also be emotionally and physically exhausting. At times you may need a break. Our Respite Care service provides that break, while ensuring a safe and comfortable environment for your loved one, for a few days to a few weeks.

Respite care also provides 24/7 support to individuals recuperating after surgery, illness or hospitalization who may not feel comfortable returning home from the hospital, or when caregivers are away.

## Volunteers

Our volunteers play an important role at Omega House. They become an integral part of our team—embracing our core values of compassion and humility. We seek individuals who want to share their time and special talents in support of residents and families. Our volunteers assist with any number of resident and family needs—from social visits to preparing meals to lawn care and snow removal.

If you are interested in becoming a volunteer, please complete our online application at: [omega-house.org/volunteer](https://omega-house.org/volunteer).

## Grief Support

**When: Monthly**

**Location: Omega House & Zoom**

Free to anyone wishing to process grief in a supportive, facilitated group. We do not have to be alone in our grief.
